Dear Mr Marley and fellow Trustees,

On behalf of everyone at Dreams Come True I would like to extend a sincere thank you, to you and the Trustees for the most generous grant of £6,000 that we received this week.

Our Dreams team are now busy consulting with Shiloh and Raymonds' parents and health professionals to progress their dreams.

Dreams Come True relies entirely upon voluntary donations and we are unable to carry out our work without the generous support of private individuals and organisations such as the Kans and Kandy Charitable Trust.

My colleague Helen Stanley is taking over from me mid February and she will be delighted to keep the Trustees and yourself updated as to progress in fulfilling Shiloh's and Raymond's dreams.

We are so grateful for your most generous support over the past five years.

With best wishes from us all,

Yours sincerely,

Lysa Ralph
